Happy Half Term!

What a super half term we have had in school since the New Year! The children have done some amazing work so deserve a well-earned break.

We hope you all have a lovely week and we return back to school on Monday 28th February.

Move with Max

On Wednesday, we took our Reception class to Spennymoor Leisure Centre to the Move with Max exercise festival.

The children participated in a range of fun activities which focused on movement, balance and coordination, which they thoroughly enjoyed. Reception class showed excellent manners, behaviour and attitude.

It was a pleasure to take them and we are proud of every one of them!

Golden Day

For the end of each half term, we always plan a special day to reward our children for their excellent behaviour and incredible work.

Today we took part in a 'Healthy Living Day'. We know how important it is to help our children adopt a healthy lifestyle and to encourage them to enjoy a varied diet and participate in regular exercise. We made and tried fruit smoothies, learnt about good oral hygiene and completed a mini workout.

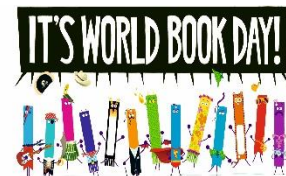

Our Reception and Nursery got their very own toothbrush and toothpaste to take home as part of their tooth brushing challenge over half term.

World Book Day – 3rd March 2022

Children can get dressed up for the day, but please do not purchase outfits especially for the day. For younger children, we have outfits in school which can be borrowed.

We have lots of exciting activities planned for the day.
