Thornhill Primary School

Charging Policy

Introduction

All the education we provide during normal school hours is at no additional charge to pupils. We do not charge for any activity undertaken as part of the National Curriculum, with the exception of some individual or small-group music tuition.

From time to time, activities such as educational visits, visitors and clubs take place which incur charges. Wherever possible, school will try to subsidise the cost of these activities to reduce prices.

Under the 1988 Education Reform Act schools are prohibited from charging for activities during school hours which are an essential part of the curriculum. However, we may ask for voluntary contributions to help with the cost of certain activities e.g educational visits during school hours. Parents may be charged for events their children take part in outside the school day e.g disco, weekend residential visits.

Voluntary contributions

At Thornhill Primary School we organise school trips, visitors or visits throughout the school year, to enrich the curriculum we offer and to enhance the educational experience of our learners. The school invites parents to contribute towards the cost of some of these events. All contributions are voluntary. If we do not receive sufficient voluntary contributions, however, we may need to cancel trips, visits or visitors. Where a trip goes ahead or visitors to the school deliver activities to enhance our curriculum, learners whose parents have not paid any contribution will share the experience, we do not treat these learners differently from any others.

The following is a list of additional activities, organised by the school, which may require voluntary contributions from parents. This list is not exhaustive:

- Educational visits – transport and entrance costs may be incurred
- Sporting activities offered by external providers
- Outdoor adventure activities
- Visits to or by a theatre company
- After-school activities offered by external providers

We have a range of activities that are offered free of charge.

Residential visits

If the school organises a residential visit in school time we ask parents to cover the cost of board, lodging and travel. If we cannot raise sufficient funding through voluntary contributions, the visit may have to be cancelled.

School will do whatever it can to assist parents with the cost of a residential visit:

- If parents cannot afford the full cost of the visit this may be subsidised e.g if the child is in receipt of free school meals.
- If we are able to raise funds or acquire additional funding to subsidise the costs of these visits then savings will be passed on to parents/carers.

Residential visit may include:

- Year 6 Outdoor Activities

Music Tuition

- All learners study music as part of the normal school curriculum. We do not charge for this.
- These individual or small group lessons are taught by LA peripatetic music teachers in year 5 and 6. A contract between the County Music Service and parents/carers is issued and then it is the parents/carers responsibility to bring the invoices to school to be paid.

Swimming

The school organises swimming lessons for pupils in Key Stage 2. These take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents when these lessons are to take place.

Transport

For many activities transport is required. At Thornhill we do not charge for all transport costs other than school visits. A portion of our Sport Premium is used to fund the cost of transport to sporting events.
