

## PE and Sport Premium 2023-24

### Rationale

Physical Education, School Sport and Physical Activity are at the heart of Thornhill Primary School. We have the following ambitions for PESSPA:

- For our children to enjoy being active
- For all children to be physically literate
- For all children to have the knowledge, skills and motivation to equip them for a healthy lifestyle moving into adulthood
- For all children to have the potential to participate in lifelong physical activity and sport
- For all our children to experience competitive sport
- For our children to develop important life skills through regular sport and outdoor activities
- For our children to take part in daily high quality PE lessons (30 minutes per day) and daily physical activity/sport (at least 30 minutes per day)
- Be able to swim confidently and understand how to stay safe around water

The following analysis indicates how our PE and Sport Premium funding of approximately £18,000 has been allocated in order to ensure that our children receive a broad range of high-quality physical experiences. It should be noted that historically we have always also spent in excess of this figure on the provision of PE within our school.

Details with regard to funding  
Please complete the table below.

Total amount allocated for 2023/24	£18,060
	+ OSF Funding £12, 794
	+ PP £3000
	= £33,854

### Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b></p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	90%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	100%
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	97%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes
